Chickasha Middle School Handbook

Mission and Vision Statement

Mission Statement

We, the staff of Chickasha Middle School, seek to improve the educational experience of our student-stakeholders by creating an environment of enabled learners. The daily goal of our staff is to assist all students in the pursuit of knowledge, while creating lifelong learners able to compete in their ever-changing world.

Vision Statement

We, the staff of Chickasha Middle School, envision our students as future leaders, community members, and valuable parts of our society. The education our students receive will continue to grow their strong foundation, link current learners to our rich history and engage the future of our society.

WE BELIEVE the stakeholders (students and staff) of Chickasha Middle School will exhibit the leadership qualities of **CMS: Choose Wisely, Master Accountability and be Strong and Secure**

WE BELIEVE the success of Chickasha Middle School begins with positive involvement from our stakeholders; staff, parents, students and the community must share in incorporating our mission and vision for Chickasha Middle School.

Chickasha Middle School Handbook

In our efforts to uphold the Fightin' Chick standard; ensuring our schools are safe, welcoming and purposeful learning environments, we strive to encourage our students to achieve their academic potential while also behaving with good character. At Chickasha Public Schools the focus is on teaching and encouraging appropriate behavior in all areas of the school, concentrating on the instruction of the 3Rs: Respect, Responsibility, and Readiness. Students who are respectful, responsible and ready act appropriately so they maximize their learning opportunities and do not detract or interfere with the learning opportunities of their classmates. Students are actively involved in learning what the 3Rs mean and look like in all areas of our school through activities, lessons, demonstrations, videos and role-playing. In addition to learning the 3Rs teachers and staff will recognize and reward students for better-than-expected behavior. Rewards for these positive behaviors can include but are not limited to: verbal praise, phone calls to parents and special privileges throughout the school. These rewards will be given when students are found in the act of exceptional behavior.

Classroom Management

The key to a positive and effective learning environment is sound classroom management that addresses all aspects of the classroom. Routines will be taught to students at the beginning of the school year and revisited until it is clear that all students understand the routines and are able to perform them. Areas that may be addressed include cooperation, appropriate language, materials and preparation to use them, being actively involved and respectful of the learning environment. These procedures should be in writing so they may be utilized in the event that a guest teacher is needed in the classroom. The techniques used by educators for addressing when a student fails to abide by classroom expectations are unique to each teacher. Although it is impossible to anticipate all possible situations, general plans will be in place for dealing with any behaviors that detract from the learning environment and will be used consistently. This will be the first line of defense in dealing with inappropriate behaviors that are considered to be minor. Note: students who persistently disrupt learning with minor offenses may require administrator involvement.

What if the routines and procedures are not effective?

Routines and procedures are implemented to address behavior in a proactive manner. At times this is not enough or not effective. Consistently repeating minor offenses may be escalated to a major offense. Four minor offenses will equal a major offense.

Major Incidents

Some behaviors and incidents require more immediate solutions and/or the attention of an administrator. Referral forms must be completed and submitted to the principal. The student will then be sent to the office. The administrator will speak with the student and contact the parent if needed, and determine an appropriate consequence. When a student returns to class they will be welcomed. A variety of factors are taken into account while processing a major report, therefore, the consequences that arise will vary from student to student. More importantly, in order to create an environment conducive to learning, we must remember that discipline procedures are not the answer to problematic behavior – it is the positive relationships we build as a learning community between students, families and staff. Punitive measures have little effect on student behavior and are more likely to increase instances of inappropriate behavior.

The Chickasha Middle School staff strives to create a positive environment by making connections with our students and families. Children learn best in the context of positive relationships and a safe, comfortable atmosphere. Our staff will explain appropriate behavior and procedures throughout the year, detailing why it is important and encourage all students to be respectful, ready and responsible. By teaching students the necessary social skills for future success we set our students on a course to be lifelong learners and successful citizens. It is our job to ensure that students learn the skills needed to survive and thrive in society. This means developing students that excel in reading, math, writing, and being good citizens.

This student handbook is composed of most of the rules and regulations that students need to know while attending Chickasha Middle School. However, it does not include every rule, regulation, qualification, or other relevant information of the district or building. Chickasha Public Schools will not waive students' responsibilities simply because a state regulation, district, or building policy is not in this handbook. We will make every effort reasonably possible to see that students are informed either verbally or in writing. However, it is the students' responsibility to know the rules they must follow to ensure the safety and security for everyone at CMS. Students and/or parents wishing to see the policies and standards for the school district and/or building may view a copy of these documents in the principal's office. Students and/or parents wishing to see the policies and standards for any club or organization may view a copy of these documents in the Activity Director's office. In addition, District policies and regulations may be viewed on the Chickasha Public Schools website at www.chickasha.k12.ok.us. Any changes made in state law and/or School Board Policy, will be added to our handbook in a timely fashion. We apologize for any inconvenience this may cause you or your student. This does not exempt parents or students from making themselves aware of rules and policies outlined in this handbook. Please feel free to call the school at (405) 222-6530 if we can be of any assistance in questions you may have.

ALCOHOL AND/OR DRUG ABUSE POLICY:

Alcohol and/or drug abuse shall be defined as sale, possession, use and/or being under the influence, while under the supervision of the school or in attendance at any school related function, of intoxicating beverages, alcohol, controlled dangerous substances, as defined in the "Chemical Abuse Policy" or any compound, liquid, chemical narcotic, drug, vegetable, fruit, or other substance which:

Notification will be sent to the Board of Education, police, District Attorney, and parent(s) or guardian(s) of the student. A second offense will result in suspension from the school for a minimum of a semester's length of time. Upon commission of a second offense, the District Attorney's office will be requested to file the appropriate legal action upon the signed complaint. (Reference O.S. 70-24-102). This policy applies to both regular and special education students. The special education review committee will meet following suspension.

ASSEMBLIES

Assemblies at Chickasha Middle School are considered to be privileges. Throughout the year, special assemblies will be arranged with guests for enrichment activities. Students are expected to act respectful of any guest to the Chickasha Middle School campus.

ATHLETICS

It is strongly believed by the teachers and coaches at Chickasha Middle School that interscholastic athletics are important for the development of a well-rounded student. Athletics help the player to achieve a higher standard of mental, moral, social, and physical fitness. The athletic program strives to contribute to the optimum development of participants as individuals through offering a variety of

sports activities and expecting these young athletes to maintain excellent scholastic grades in all of their academic classes.

ATTENDANCE POLICY

Please contact the Attendance secretary the morning of a student's absence at 405-222-6530. In accordance with the State of Oklahoma school laws and the definition of chronic absenteeism, students must be present at a minimum of 90% of the time in order to complete/receive credit for that class. Chickasha Public Schools' instructional calendar consists of 168 school days. Therefore, a student may not miss more than 16 days throughout the entire school year.

It shall be unlawful for a parent, guardian, or other person having custody of a child who is over the age of five and under the age of 18 to neglect or refuse to cause or compel such child to attend or comply with the rules of some public, private or other school. 70 O.S. Section 10-105

Absences:

There are three (3) kinds of absences: **Excused, Unexcused, and Permitted.** An administrator will determine the kind of absence.

1. **Excused Absences** from school will be allowed for the following reasons, providing a phone call to the **Attendance Office** from the parent or guardian is made on the day of the absence:
 - Illness
 - Doctor or dentist appointment
 - Funerals
 - Emergencies (Family)
 - Recognized religious holidays
 - Statements or appointment cards from doctor or dentist must be presented to the Attendance Office.

2. **Unexcused Absences/Unverified** are given if no phone call to the Attendance Office is made. If no phone call is received by, at most, two days after an absence, the absence will remain unexcused/unverified. **It is the responsibility of the parent or guardian to call in on time.**

A letter and affidavit will be sent to the District Attorney each week that a student continues to have unexcused/unverified absences. This continues each week more unexcused/unverified absences occur.

BACKPACKS

Mesh backpacks are preferred on campus.

BICYCLES

Bicycles are to be parked in the designated areas and chained to the rack. The school is not responsible for damage or theft of the bicycle or its parts while parked in the designated areas.

CAFETERIA

The Community Eligibility Provision (CEP) is a non-pricing meal service option for schools and school districts in low-income areas. CEP allows the nation's highest poverty schools and districts to serve breakfast and lunch at no cost to all enrolled students. Instead, schools that adopt CEP are reimbursed using a formula based on the percentage of students categorically eligible for free meals based on their participation in other specific means-tested programs, such as the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF).

Each parent will complete an application for free and reduced lunches during enrollment of their child. We are required to provide each parent this opportunity. A new application must be submitted at the beginning of each school year.

Breakfast: Breakfast will be served from 7:55AM to 8:20AM each morning in the cafeteria. Students will not be permitted in the main building during lunch unless under the supervision of a staff member.

Lunch: Lunch will be served each day according to the schedule below.

- Lunch A: 12:15-12:45
- Lunch B: 12:45-1:15
- Lunch C: 1:15-1:45

Students may bring their lunches or they can choose from a regular lunch. No outside lunches are allowed to be dropped off. Students are required to remain in the designated areas during lunch. All Chickasha Public School students PK-8th grade eat both breakfast and lunch for free.

CHECKING IN AND OUT OF SCHOOL/ATTENDANCE

Students arriving after the first hour begins (8:38AM) must report to the attendance office to obtain an ADMIT TO CLASS slip. The ADMIT TO CLASS slip is not necessarily an excused tardy. If a student is more than fifteen (15) minutes late to class, this will be considered an absence for that period. If your student will not be in attendance, please contact the school on the day of the absence.

CHEMICAL ABUSE POLICY

The use and unlawful possession of illicit drugs and/or alcohol is wrong and harmful. The following disciplinary procedures will be strictly adhered to and mandatory for ALL students.

CHILD FIND NOTICE

Under the Individuals with Disabilities Education Act and other federal laws, public school districts must make a free appropriate education available to eligible children with disabilities, ages 3 through 21. The types of disabilities covered include autism, deaf-blindness, developmental delays, emotional disturbance, hearing impairment including intellectual disabilities, multiple disabilities, orthopedic impairments, traumatic brain injury, and visual impairment including blindness. Chickasha Public Schools is trying to find students ages 3 through 21 who may have disabilities and who are not currently receiving services. If you would like further information or know of a child who may have a disability who is living in the Chickasha Public Schools District, please contact Tammy Swinburne at 405-222-6500.

CLASSROOM/SCHOOL BEHAVIOR

We desire that all students accept responsibility for self-discipline. Expectations are that all students will conduct themselves in a manner that enhances the learning process. Any behavior which is impeding the learning environment of others will be addressed.

CONDUCT OFF-SCHOOL PREMISES

Students involved in off-campus attacks on school officials, their families, animals, or property, will result in disciplinary action at school. School authorities have the power to discipline pupils for out-of-school conduct having a direct and immediate effect on the discipline, welfare, and effectiveness of the school- including but not limited to: *texting/social media, notes, or any other form of contact.* At a school function or during school hours school officials have the authority to discipline students for off-campus misconduct involving weapons, alcohol, or drugs. A conference can be held with the site school counselor, an administrator, parent/guardian, and the student prior to the student's re-entry to school. If it is determined that the student may not return to school, further counseling will be implemented.

CONFERENCES

Conferences will be scheduled with teacher(s). In order to maintain open communication, parents are encouraged to attend with their student(s).

First semester conference dates will be the evening hours of Monday & Tuesday, September 16 & September 17th. Second semester conference dates will be the evening hours of Monday & Tuesday, February 10th & 11th. All Conferences will be held 3:30-7:00 pm.

CRITICAL RACE THEORY

DELIVERY OF NOVELTIES

Flowers, balloon bouquets, novelty items or gifts **MAY NOT BE** delivered to students at Chickasha Middle School.

DRESS CODE/STUDENT APPEARANCE

General: There exists a correlation between the quality of a student's performance, conduct, and appearance. Therefore, all students are expected to be groomed and dressed appropriately. Clothing and grooming must be such that they do not constitute a health or safety hazard. Grooming and dress must not constitute a distraction or interfere with educational opportunities of other students.

Principals, in conjunction with sponsors, coaches, or other persons in charge of extracurricular activities, may regulate dress and grooming of students who participate in a particular activity if the principal reasonably believes that the student's dress or grooming creates a hazard, or may prevent, interfere with, or adversely affect the purpose, direction, or effort required for the activity to achieve its goals. Clothing normally worn when participating in a school-sponsored extracurricular or sports activity may be worn to school when approved by the sponsor or coach (i.e.: cheerleader outfits, pom team and band uniforms, team shirts).

If a student's dress or grooming is objectionable under the above provisions, the principal shall request the student to make appropriate corrections. If the student declines, the principal shall notify the student's parents or legal guardian and request that person to make the necessary correction. If both the student and parent or legal guardian refuse, the principal shall take appropriate disciplinary action. The principal's judgment concerning the appropriateness of clothing is final.

Students who violate provisions of the dress code and who refuse to correct the violation may be disciplined by removal or exclusion from extracurricular activities. In extreme cases, students may be suspended until the violation is corrected.

- Undergarments should not be visible.
- Vulgar speech and alcohol/drugs are not protected by free speech.
- Student dress may not display anything that may represent or promote an act of violence such as weapons
- Students may not wear anything that may be associated as part of a costume such as masks, fake ears, tails, etc.
- Due to safety concerns hoods on outerwear can not be worn.

ELECTRONIC DEVICES

The school will not be responsible for searching for or replacing electronic devices of any kind that are brought to school. This also applies to cell phones, air pods, earbuds, etc.

ELIGIBILITY

It is the policy of the Board of Education that only those students who are fully eligible scholastically will be permitted to represent the school in any capacity. (EE) Other than regular meetings and practices, a student must meet the guidelines prescribed by "Student Eligibility during a term" and "term grades".

Student Eligibility During a Term:

Scholastic eligibility for students will be checked at the end of the third week of each semester and each week thereafter. This grade is cumulative based on grades for the entire semester. A student must be passing in all subjects he/she is enrolled in during a term. If the student is not passing all subjects enrolled in at the end of a week, he/she will be placed on probation for the next one-week period. During probation, the student is eligible to participate. If a student is not passing all subjects at the end of this probationary period, he/she is ineligible to participate until passing all subjects. When a student is passing all subjects, he/she will become eligible at the beginning of the following eligibility week. The ineligibility period will begin on a Monday and end on a Sunday. Eligibility reports will be prepared Friday afternoon. Any work to be included in the computation of a student's grade must be turned in to the teacher no later than Wednesday. Any work turned in after that designated time would not be counted for eligibility for the following week. The coach or sponsor will notify a student who is on probation or is ineligible. A sponsor, a director of an activity, or a coach of a sport will not be permitted to question any teacher about an ineligible or probationary student. It is the student's responsibility to confer with his/her teacher if there is a question about eligibility status. If the questions cannot be resolved, the matter may be referred to the principal, athletic director, or principal's designee.

Students who are ineligible are not permitted to attend extracurricular activities.

EMERGENCY DRILLS

In order to be prepared for an emergency, administrators will conduct fire, tornado, lockdown, and intruder drills. As a safety precaution, emergency procedures will not begin until announced by a faculty member. Whenever an emergency procedure is conducted, students should conduct themselves in a safe and appropriate manner.

EXTRA-CURRICULAR ACTIVITIES

Students who are failing a class will not be permitted to attend extracurricular events.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records that are maintained by the local school district. These rights include:

1. The right to inspect and review the student's education records within 45 days after the day the student's school receives a request for access.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA are:
Family Policy Compliance Office
U. S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

FOOD OR DRINK

Students may not have food or drinks in the classrooms. Students may have clear plastic bottles with water ONLY in classrooms. No outside food or drink is allowed during lunch.

FUNDRAISING CAMPAIGNS

The faculty sponsor, the principal, and the Board of Education must approve any methods or occasions of raising money by a student group. All club monies must be turned in to the financial secretary in the front office daily. Cash must not be left on the school premises overnight. Persons who collect monies will be responsible for the replacement of any monies unaccounted for, misplaced, lost or stolen. Parents and other support organizations are encouraged to have fundraisers other than door-to-door sales involving students as salespersons.

GRADE RETENTION OR COURSE FAILURE

Whenever a teacher or teachers recommend that a student be retained in a grade or not passed in a course, the parent or guardian, if dissatisfied with the recommendation, may appeal the decision to the Board of Education. The Board of Education shall hear grade retention/course failure appeals only following a required parent/teacher/counselor and/or administrator conference. The decision of the Board shall be final.

GRADING SYSTEM

At the end of the fifth week of the first and third nine-week periods, and at the end of the first and third nine weeks, parents/guardians will receive a progress report. At the end of each semester, every student will receive a report card. The letter grade will indicate the progress of the student in each class. See the grading scale below.

A	Superior quality of work (90-100)
B	Good quality of work (80-89)
C	Satisfactory quality or progress in terms of ability (70-79)
D	Below quality of work expected (60-69)
F	Unsatisfactory work (below 60)

Teachers will also contact parents by mail, phone or email when the student is having difficulty of any kind, which interferes with the educational process.

If a student does not pass 3 of 4 core classes for the year, he or she may be recommended for retention. Whenever a teacher or teachers recommend that a student be retained in a grade, CPS board policy ED will be followed.

<https://meeting.assemblemeetings.com/Public/Book/1910?docTypeld=220743&file=2876925c-f2a8-4d59-83c2-d35020f60005>

Teachers are required to record two grades at a minimum per week, for each subject area.

Students who are failing a class will not be permitted to attend extracurricular events.

GRIEVANCE PROCEDURE

The Chickasha School District recognizes that students and parents/guardians have a fundamental right to discuss grievances that they might have with the district. However, it is also recognized that there must be an orderly procedure for carrying out the grievances. The following steps constitute the procedure for students and parents/guardians:

1. If the grievance is directed toward a teacher, the parent should make an appointment to visit the teacher.
2. After this initial meeting, if the grievance is not settled, the parent should discuss the problem with the principal.
3. If the issue is not resolved, an appointment should be made with the superintendent or his/her designee.

GUIDANCE SERVICES

Please notify our counselor if a student is in need of special guidance services. They can be reached at 405-222-6530. You are encouraged to request any grade checks directly through your student's classroom teacher via email or through the student information system parent portal.

HEALTH SERVICES

If a student is ill, he/she is to report to the nurse with permission from the teacher. If a student is under a physician's care and medication is prescribed during the school day, Parent must meet with nurse to complete appropriate paperwork and present medication in the original prescription container to the nurse.

Philosophy of the Health Services Department

The primary objective of school health services, as provided by the professional school nurse, is to strengthen the educational process of students by assisting them to improve or adapt to their health status. To accomplish that end, we believe:

1. Healthy students make better learners; therefore, attaining optimum health for each student is desirable and promotes the learning process.
2. Modification of the general curriculum should be made to meet the needs of the physically, emotionally, and culturally and intellectually handicapped student.
3. A health program, which is current, factual, and applicable to today's living prepares students to develop self-enhancing, healthful lifestyles.
4. A safe, healthful school environment is conducive to learning.

We provide health services so that each student will have the optimum health possible and the knowledge and desire to attain this goal.

HOMEWORK/ASSIGNMENT POLICY

Homework shall be viewed as an integral part of the total school program. Homework assignments should support and enrich the learning experience as directed by the teacher in the classroom. All homework will be evaluated and included in determining a student's final grade. Homework is assigned for the following purposes:

1. To supplement and reinforce classroom work.
2. To give increased practice in particular skills.
3. To make up work missed due to an excused absence.
4. To develop initiative, independence, self-direction and responsibility.
5. To assist in developing good study habits.
6. To provide parents with opportunities to become aware of what is being taught in the classroom.

Any homework/class assignments will not be accepted after two weeks from the assignment due date. This could be less based on teacher grading policy.

ID BADGES (STUDENT/STAFF)

In a continuing effort to increase security at Chickasha Public Schools. Student identification procedures will be enforced. Chickasha Public Schools are taking all measures to ensure the safety of our students, faculty, staff, and patrons. To improve school safety all students and district employees will wear photo ID at all times on school property and at all school events. All secondary schools will have controlled access locks that require scan card entry. The student ID badge will act as the scan card for school entry access. A student who forgets their ID badge is expected to go to their front office to get a temporary ID sticker; however, excessive reliance on temporary stickers may result in fees of up

to \$1.00 per temporary sticker. In addition, after a student has accessed excessive temporary stickers; they will be required to purchase a new ID badge and the old badge will be deactivated. A new ID will result in a \$5.00 charge to Chickasha Public Schools. Middle school students who fail to wear their school IDs on school property and have available at school events may be subject to disciplinary actions. The school ID is school property. These items must be returned to the school at the end of the school year or if a student withdraws to attend another school.

INCLEMENT WEATHER

Closure of school due to inclement weather conditions will be communicated in a number of ways. It is our goal to give parents as much notice as possible. Weather closings will be posted on our district website www.chickasha.k12.ok.us along with District and Site Facebook pages. It will be announced on KOOL 105.5 Radio and all major Oklahoma City TV Stations. The District will send out automated phone calls to the number listed as a student's primary contact. It is important for the school to have your current phone number in order to receive the call.

Parents and students are encouraged not to call the school so building administrators will be able to implement safety procedures.

Illegal behavior is subject to punishment as appropriate and available. Students who engage in cyberbullying also risk civil and/or criminal charges and/or lawsuits that may be filed against them by victims or victim's families. The district will fully cooperate with law enforcement agencies in any and all investigations involving students, electronic devices and social media.

Consequences for Violations of Social Media Policy: Reports of a violation of this policy may result in an investigation of the user's posts, files, internet usage, or other electronic/digital media. The investigation and its scope will be reasonable, calculated to disclose the existence and nature of the alleged violation. If warranted, consequences will be determined in accordance with the collective bargaining agreements and state and federal laws, considering the type of violation, past history, and level of the user.

Consequences may include, but are not limited to the following:

A. Loss of internet access (while on school property) and/or network access, for a

determined amount of time according to the offense.

LIBRARY

District's library shall make available materials of sound literary quality and authority. District does not promote censorship and will challenge efforts at censorship in order to maintain District's responsibility to provide information which is educational and enlightening. Teachers and librarians may select library materials which provide various points of view on controversial subjects and which are intended to meet the needs and interests of the students. Proposed library materials will be examined to determine which materials meet the grade and interest level at which they are to be used. Proposed library materials will be considered in relation to the curriculum and to the personal interests of the students. Materials which contain incidents of sex or profanity shall not automatically be excluded. The Administration shall develop appropriate Regulations which address criteria for selection and guidelines for reconsideration of library materials.

UNAUTHORIZED LOCATION/ACCOMPLICE

Any student determined to be accompanying a student who has committed an act which violates a policy in the handbook, is subject to the same disciplinary action as the student who has committed the act. The student is considered an accomplice of the student who commits the violation.

VISITORS

The Board of Education welcomes the active interest of parents and citizens in their public schools, and invites the community to visit at any time. However, since schools are a place of learning, certain limits must be set on visitations and visitors. The building principal is responsible for all persons in the building and on school grounds. For this reason, the following policy applies to visitors to our school sites:

- Anyone who is not a regular staff member or student of the school is defined as a visitor.
- Visitors may check in using the security vestibule to notify the office of the reason for their visit.
- All visitors will remain in the security vestibule or outside the building unless they have a scheduled appointment.
- Should a visitor be allowed inside the building he/she must scan their ID to receive a temporary badge before leaving the secured vestibule and entering the building.
- Parents or citizens wishing to observe a classroom while school is in session are requested to arrange such visits in advance with the principal so that class disruptions are minimized.
- Teachers are not expected to take class time to discuss individual matters with visitors.

School visitations by students who are not enrolled in the Chickasha Public Schools are prohibited. Vacationing students from other districts are prohibited from attending class or visiting at school during regular school hours. The building principal must approve exceptions to this policy.

The superintendent or principal of any school shall have the authority to order any person out of the school building and off the school property when the person interferes with the peaceful conduct of activities at the school. The school Resource Officer will issue a Notice To Vacate to any person who is requested to leave any school property, function or event and will be unable to return to the premises without the written permission of the administration for a period of six months. Any person who refuses to leave the school building or grounds after being ordered to do so by the superintendent or principal, shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$500.00 or by imprisonment in the county jail for not more than 90 days, or by both such fine and imprisonment.

VOLUNTEERS

Parents are always welcome to attend events, programs, and celebrations with their child. However, school volunteers must submit a completed volunteer application and volunteer agreement. Both of these forms are located on the district website. Your child's school or the CPS administration office (900 West Choctaw) can provide hard copies. To be an "approved" volunteer, background records will be checked. Also, the application and agreement must be updated and resubmitted every school year. Only approved volunteers will be allowed to be alone with any student or group of students.

DISCIPLINE POLICY

The Chickasha Public Schools believe that the primary function of the schools is to educate children. We further believe that all students have the right to learn free of unnecessary distractions and to attend a school in which an atmosphere conducive to learning exists.

All students enrolled in the Chickasha Public Schools will be expected to abide by the rules and regulations set forth by the administration, teachers and Board of Education. The teacher or administrator shall have the same right as a parent or guardian to control and discipline a child while

in attendance at school, school sponsored activities, or being transported to or from school sponsored activities in district owned transportation equipment. (The provisions of this policy include behavior at bus stops and children walking to and from school). Any student who is found to be guilty of disobeying the rules or showing disrespect for any staff member and/or school property, will be subject to disciplinary action. The disciplinary action to be taken will depend on the severity of the violation and the number of times the student has broken the regulation (70 O.S. 60114, School Laws of Oklahoma).

The classroom teacher should handle classroom discipline. Only after other measures have failed or a major infraction has occurred should a student be sent to the discipline office. Students should also understand that any teacher employed by Chickasha Public Schools has the authority to correct misconduct at school or at school sponsored activities.

THE ADMINISTRATION RESERVES THE RIGHT TO DETERMINE APPROPRIATE DISCIPLINARY ACTIONS.

DISCIPLINARY ACTIONS

In considering the different forms of disciplinary action, the faculty and administration of the school district will consider the following actions. However, the school is not limited to these various methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The Board of Education will rely on the judgment and discretion of the administration and/or faculty member to determine the appropriate remedial or corrective action in each instance.

Detention

A period of time, other than class time, when the student is detained as a disciplinary measure. Detention assignments, when practical, should begin the day following the infraction. Failure on the part of any student to attend detention will result in further disciplinary action.

- (A) **Teacher Assigned Lunch Detention** - Lunch Detention will be held in the assigning teacher's classroom. Students may bring lunch or purchase lunch from the cafeteria. Students must bring books and work.
- (B) **Regular Lunch Detention** - This detention is assigned by an administrator and will be used for tardies.

In-School Restriction (ISS)

The objective of this program is to provide an alternative to out-of-school suspension for those students who fail to function acceptably in the education setting. ISS is in lieu of the regular day. For a student to be placed in ISS, parental contact will be made. The student will sign a procedural contract so there is no misunderstanding about the intent of the ISS Program and its policies/procedures. Failure to follow the policies of ISS will result in immediate out-of-school suspension. Any student placed in ISS will not be allowed to participate in any school activities until their time is completed. Students may only participate in practice times that are outside of the normal school hours.

Suspension

(Removal of a student from school and all school functions for a specific period of time). The principal or his/her designee may suspend a student(s) for varying lengths of time depending on the infraction(s). A student can be suspended from one day to a maximum of two semesters. Parents or legal guardians of the student(s) will be notified by mail and verbally, when possible, of the suspension.

CLASS ASSIGNMENTS DURING SUSPENSION

Arrangements for completing assignments during suspension will be agreed upon by an administrator and parent. Students could complete assignments online via Google Classroom or paper-pencil. It is the student's responsibility to complete the assignments during the suspension period. The assignments are due on the day the student returns to school at the end of the suspension period. Zeros will be recorded for all assignments that are not turned in upon the student's return from suspension. The student will be allowed to complete any tests that were administered during the suspension period. These guidelines apply only to those students who have been suspended more than 3 school days. Students who are on suspension will not be allowed to attend any school district functions or be on any school campus during the suspension period.

APPEALS PROCESS

Appeals Procedure for Suspension: A student has the right to notice of alleged misconduct and an opportunity to respond to the allegations before the student can be deprived of his/her right to an education by way of suspension. The student is entitled, upon written request, to appeal all out of school suspensions. The student and/or parent or guardian should follow the procedure below:

Suspensions of 10 days or less

Appeal of Short Term Suspensions (Board Policy EK): A student suspended for a period of ten (10) or fewer school days, following an informal pre-suspension conference with principal or designee, may appeal the suspension as follows:

- A. An appeal to the Principal must be requested in writing to and received by the school principal or designee within two (2) calendar days after the principal's or designee's suspension decision is received by the student or parent and must specify what part of the out-of-school suspension decision is being appealed. The parent/student may appeal one or both of the following:
 - a. The finding of guilt of the charge(s) by the principal or designee for which the student was suspended; and/or
 - b. The reasonableness and length of the suspension.
- B. The suspension decision will become final and unappealable if a request for appeal is not timely submitted.
- C. Upon receipt of the request for an appeal, the Principal shall confirm the suspension falls within the category of suspensions to which an appeal to the Site Committee is authorized. If the Principal or designee determines the period of suspension is greater than ten (10) school days, or if for any reason, the short-term suspension is extended beyond ten (10) school days prior to the committee hearing, the procedures applicable to long-term suspensions must be followed and

the student must be given the opportunity to appeal any adverse decision as provided by this policy for long-term suspensions.

- D. The Principal or designee shall appoint a Site Committee to hear the appeal. The Site Committee shall consist of not less than three District employees, who shall be a minimum of two teachers assigned to the school site and an administrator or counselor not involved with the suspension of the student. The Site Committee shall designate a chairperson. No administrator or teacher who witnessed the misconduct or any teacher teaching the student during the current semester shall serve on the Site Committee.
- E. The short-term appeal must be submitted in writing that includes all reasons, rationale, and facts that are deemed appropriate as to the nature of the appeal.
- F. The Site Committee will conduct a full review of the issues appealed. The appeal review will include policies or regulations related to the student's misconduct; read, refer to, or distribute the policy, rule or regulation which the student's misconduct violated; and any statements or submit documentary evidence which support the suspension decision. The student or parent will explain the student's position and/or make statements or submit documentary evidence relating to the appealed issues in writing.
- G. Evidence by witnesses shall be submitted to the Site Committee in writing only. For evidence supplied by student witnesses, the Site Committee shall have the authority to restrict the identity of the student witnesses. In this case, the Principal or designee will inform the Site Committee of the information received from students and explain why the Principal or designee believes that information received is valid and supports the suspension decision
- H. The Site Committee meeting is closed to the public.
- I. Legal counsel is permitted to provide information and documentation for the appeals process that can be reviewed by the Site Committee.
- J. At the conclusion of the review of the evidence, the Site Committee shall render a decision by a majority vote and such decision is final and not appealable. The Site Committee's decision shall be to uphold, modify, or revoke the suspension decision of the Principal or designee as to the guilt or innocence of the student and/or the reasonableness and length of the out-of-school suspension, depending on the issues appealed. ALCOHOL AND/OR DRUG ABUSE/POSSESSION (INCLUDING PARAPHERNALIA)

The use and unlawful possession, sale, purchase of illicit drugs, distribution of over the counter drugs and/or alcohol, or the intent thereof, is wrong and harmful. The following disciplinary procedures will be strictly adhered to and mandatory for ALL Chickasha Middle School students.

Student suspension for alcohol and/or drug abuse:

“Whenever it appears to any public school teacher that a student may be under the influence of intoxicating beverages as defined in Section 163.2 of Title 37 of the Oklahoma Statutes, or a controlled dangerous substance as defined in Section 2-101 of Title 63 of the Oklahoma Statutes, the teacher shall report the matter, upon recognition to the school principal or his/her designee. If the student is found to be under the influence, selling, or purchasing illegal drugs/alcohol, or has the intent to do so, the principal or designee shall immediately notify the Superintendent of Schools or designee and a parent or legal guardian of the student of the matter.” (Reference O.S. 70-24-138).

The principal will inform the parent(s) both verbally, when possible, and by letter, that the student has been suspended for alcohol and/or drug use. The student and parent(s) will be requested to participate in one or more of the programs: Youth Services, Great Plains Outreach Clinic, Grady County Guidance Center or other mutually agreed upon agencies. The district will not be responsible for any financial obligations with these agencies. Following the conference with the principal or his/her designee, the principal will decide if circumstances merit a deferment of the remainder of the suspension beyond ten (10) days and a conditional early readmission of the student, if the following is completed:

1. The student must be involved in or enrolled in counseling with a counselor or agency approved by the school. Parental involvement, although not required, is strongly requested. During the period of counseling, reports are to be signed by the counselor.

Counseling, upon successful completion, would be terminated by the counselor. A statement of release, signed by the counselor, must be submitted to the principal. Probationary status would include the student's signing and abiding by a contract stating that he/she understands that violations of school rules which would normally lead to a short-term suspension will cause probationary status to be lifted and the original suspension reinstated.

HARASSMENT/INTIMIDATION/BULLYING/HAZING: Threatening behavior is defined as an activity, which portrays that another person, persons, or property may or will be harmed. As used in the School Bullying Prevention Act, Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. "harassment, intimidation, and bullying" means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another person; damage another person's property; place another person in reasonable fear of harm or damage to his/her property; insult or demean any person or group in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Harassment, intimidation, and bullying

include but are not limited to, gestures, verbal, written, or physical assaults. Such behavior is prohibited by board policy.

There are four (4) types of bullies characterized. They are:

1. Physical bullies who often hit, kick or shove others;
2. Verbal bullies who use words to harm others through name-calling, insulting, making racist comments or harsh teasing;
3. Relational bullies often focus on excluding one person from their peer group and usually do so through verbal threats and spreading rumors; and
4. Reactive bullies who are individuals who are often both bully and victim. Typically victims first respond to victimization with bullying behavior.

Additional Procedures Related to Bullying: It is District's policy that bullying of students by other students, personnel, or the public will not be tolerated. Students are expected to be civil, polite, and fully engaged in the learning process. Students who act inappropriately are not fully engaged in the learning process. This policy is in effect while the students are on school grounds, in school vehicles, at designated bus stops, at school-sponsored activities, or at school-sanctioned events, and while away from school grounds if the misconduct directly affects the good order, efficient management, and welfare of the District. The Administration will develop and implement appropriate regulations regarding bullying.

See board regulation E1-R1 below for more detailed information:
