

Note from the Principal

Spring and the last nine weeks are here! These last months will be very busy with events and testing going on. Testing will begin on April 15th. Please encourage your students to be here and on time for school each day of testing. Help our students by having them get some extra sleep, make sure to eat breakfast, and know that our teachers have prepared everyone for these tests. We have several opportunities for parents to be involved in activities that we have going on during these last nine weeks. Contact your child's teacher if you are interested in volunteering!

Angie Morgan
Lincoln Principal

Beautiful Day

April 25

No School

April 28 *MONDAY*

P.R.I.D.E Time with Mrs. Willis

DO YOUR BEST TO BEAT THE TEST

Test Taking Strategies

- 

1. Three is key! **READ** the passage, **READ** the questions, **REREAD** the passage to find your answer.
- 

2. Look back and highlight or underline **evidence** from the text that proves or supports your answer.
- 

3. **Think** of the answer before you read all the choices.
- 

4. Stash the Trash! **Eliminate** wrong answers by placing an X at the end of them. Place a ✓ check after the best answer left.
- 

5. **Plug in** different answer choices to see what makes the most sense.
- 

6. In **Math** box key words that tell you which operation to use (+ - ÷ ×).
Circle all numbers that will be used.
