Note from the Principal

Hello Lincoln Family!

I can't believe March is here! Over the next few weeks, our teachers and staff will begin reflecting on the goals we have set for our students and work to provide opportunities to further their growth. Working together with our families plays a crucial role in helping our students succeed. Having good school attendance, reviewing learned concepts at home, and keeping in contact with your child's teacher are just a few examples of how parents can help ensure school success. We value all of our students, parents, and staff!

OSTP TESTING IS COMING UP HOW CAN YOU HELP YOUR STUDENT BE SUCCESSFUL?

1. Your child needs a good night's sleep before testing days, and to eat properly the days of testing.
2. Ensure that your child is present and on time during testing.
3. Wish your child good luck each morning of the test.
4. Remind your child the test is important. Encourage him/her to do his/her best, and stay focused even if others finish early.
5. Help your child review by going over the material.
6. Remind your child to listen carefully to the instructions from the teacher and to read the directions and each question carefully.
7. Explain to your child the importance of using time wisely. If your child gets stuck on a question, encourage him or her to make the best guess and move on.
8. Tell your child to attempt to answer all of the questions and not to leave any blank.

Hey! My name is Alex Chagolla. I'm on the Chickasha Boy's Soccer team. I hope you can come support my team at our games. Our first home game is March 3rd. We play Lawton. Come out and help my team win the game with your support!

Hi! I'm London Mantooth and I play for CMS Soccer. I play middle mid-field. My favorite thing about playing middle school soccer is being with the girls. So, maybe next year think about playing CMS Soccer. Come out and support us at our first game on March 3rd against Lawton.
