

# INSIDE THE COOP

LINCOLN SCHOOL  
NEWSLETTER

**VOL 2.2.**  
**1 OCTOBER 2024**

## Note from the Principal

Hey Lincoln School!

School is going by so quickly, it's almost time for the end of the 1st 9 weeks and Fall Break. Our students have been learning so many things. In math, 5th grade has been studying order of operations and 6th grade has been learning about prime and composite numbers. In reading, students have been studying the Author's Purpose and Point of View. Ask your children what else they have been learning. We will have our first snow cones for attendance in October. Any class that has 90% or better attendance receives snow cones at lunch. Students voted on their favorite flavors and each month, classes have a new opportunity to earn those snowcones. Exciting things are happening at Lincoln! We Are Lincoln!!

Angie Morgan  
Lincoln Principal

\$1

Send your friend a  
Halloween-Gram

Sales will be Oct. 21-25

JUST \$2

I play football for CMS. My positions are wide receiver and linebacker. Our games are on Mondays and we are 2-2. The reason I love it so much is because I get to stop people from scoring, and I get to score. Our practices are in the morning instead of in the afternoon and it is way cooler!  
-JJ Allen

Hi! My name is Charlee Williams. I am on the CMS Cheer team. We have practices on Monday and Tuesday. On Monday I try to work on my backhand springs in tumbling class. On Tuesday we work on chants for our next game. We get shirts, bows, pompoms, backpacks, and more. If you want, you should try cheer. It is really fun!

# WELCOME NEW LINCOLN STAFF
