### Note from the Principal

**Hey Lincoln!**

**Can you believe how fast the 1st nine weeks have gone? 5th and 6th graders have been learning so much...decimals, fractions, sound waves, explorers, and taking CFA's to show how much they have learned. (Make sure you know what a CFA is). We are so proud of all of our students and staff and the hard work they are doing. Fall break is coming soon and we'll be off to the 2nd nine weeks. Happy Fall everyone!**

### Lincoln Student Council

Lincoln's Student Council is a group of students, one from each class, that serve their school and community, as well as represent their class. Students who displayed responsibility, citizenship, and leadership skills were encouraged to apply for student council, and were then voted for by their peers. The Student Council will be doing various community outreach projects, as well as projects that benefit Lincoln. They will also be responsible for relaying information back to their class and bringing ideas to the council that will improve their school and community.

Makayla Malone, Ethan Clark, Kenna Vaughn, Wallin Frahm, Delaney Wray, Zarah Alexander

#### **Fifth Grade Student Council Representatives:**
