

# DECEMBER 2025

## FROM THE SUPERINTENDENT'S DESK:

*Rick Croslin*

Happy Holidays! This truly is a wonderful time of the year. Over the past few weeks our schools have held multiple events showcasing the talent of our students. From plays to concerts, students from across the district have shared the joy of the season. They have put in countless hours rehearsing and preparing for these special events from Pre-K through the high school. Once all of these are done and the final tests are taken at CHS we will close for the holiday break on December 19th . The district will be closed from December 22, 2025 through Monday, January 5, 2026. Classes will resume on Tuesday, January 6, 2026.

On behalf of everyone at Chickasha Public Schools – THANK YOU for a great first semester! The first two quarters have flown by and the second half of the year promises to be even better. We are appreciative that you have chosen CPS for your child's education. May you and your family have a blessed holiday season.

Merry Christmas & Happy New Year.

Rick

**Proud to be a FIGHTIN' CHICK!**

SIGNING DAY**

# Holiday Programs

This holiday season, students across Chickasha Public Schools shared their talents and creativity through a series of festive concerts and that brought families and the community together to celebrate the season.

- Lincoln Intermediate, Chickasha Middle School, and Chickasha High School students performed a choir concert, showcasing vocal talent from across grade levels.
- BWECC Pre-K students delighted families with a festive Christmas program filled with songs and smiles.
- Lincoln Intermediate, CMS, and CHS band students took the stage for their winter concert, demonstrating dedication and musical skill.
- Grand Avenue 2nd grade students spread holiday cheer during their Christmas program for families and guests.

## BOND UPDATES

Construction is underway on the Grand Avenue Elementary Library Saferoom. Dirt work and the pad have been completed, and piers have been installed for additional structural support. The foundation trench will be dug on December 17, with foundation work to follow.

At Lincoln School Intermediate Center, construction has begun on the new gym. Dirt work is complete, the pad is ready, and pier installation will begin soon, followed by foundation work.

Renovations at the Early Learning Center are nearly complete. The building has a new roof, fresh exterior paint, and interior painting is nearing completion. A new privacy fence has been added, trees have been trimmed, and minor fence adjustments made. Select rooms will receive new flooring, security cameras and access-controlled doors are being added, and the main office will receive a new counter, cabinets, and updated storefronts at the main entrance and hallways.
