AUGUST 2025

## WELCOME TO THE 2025-2026 SCHOOL YEAR!

Welcome to the start of the 2025-2026 school year. It just seems like yesterday that we were celebrating the Class of 2025. Summer has quickly flown by and now we celebrate a new school year. Our staff members have been working tirelessly to prepare each classroom for our students.

CPS is excited to announce that all students, Pre-K through 12<sup>th</sup> grade, will be able to eat breakfast and

lunch free of charge. This is due to CPS qualifying for the Community Eligibility Provision for Child Nutrition. Also new this year is a new state law that prohibits personal electronic devices. It is our intention to positively engage and work with students on this matter. Working together we can make this happen.

This is going to be a great year! Looking forward to all the possibilities. Mr. Croslin
